

# Speaking and Presenting Resources

February, 2008

Every great speaker and presenter needs good resources and guides. Being the quintessential information junky that I am, I read at least two new business or professional development books a week. While it is a pricy addiction, it is one that a) my wife tolerates and b) I consider an investment with extremely large payback. That being said, I have chosen some resources about speaking and presentations that are definitely in my favorites list (not in any particular order):

## Books

*Presentation ZEN* by Garr Reynolds

*From Panic to Power* by Kevin Spalding

*Laugh and Get Rich* by Rick Segel and Darren LaCroix

*How to Give a Damn Good Speech* by Philip R. Theibert

*Working the Room* by Nick Morgan

*Speak to Influence* by Susan Berkley

*Book Yourself Solid* by Michael Port

*Persuasive Presentations* by Nick Souter

*Persuasive Writing* by Nick Souter

*Hypnotic Writing* by Joe Vitale

*Can You Say a Few Words?* by Joan Detz

*Stand-Up Comedy: The Book* by Judy Carter

*The Nuts and Bolts of Public Speaking* by Craig Valentine (also available in audio)

## Audio Books and Videos

*Elements of Eloquence* by David Brooks

*20 Years of World Champions* by Bill Stephens Productions

*Magic Moments Volumes 1 and 2* by David Brooks

*Connect with Any Audience* – [www.worldchampionspeakers.com](http://www.worldchampionspeakers.com)

*Speaking Secrets of the Champions* – [www.worldchampionspeakers.com](http://www.worldchampionspeakers.com)

*How to Go from Lackluster to Blockbuster Storytelling* by Craig Valentine

*Learn How the Pros Make 'em Laugh* by Darren LaCroix

Not all of these are available in book stores- some must be purchased online.

Good Luck and happy presenting!
